  - Member of the Health Committee of the Iranian Medicine Office of the Ministry of Health in 1993 and 1994
  - Member of the academic staff of the Department of Traditional Medicine, Faculty of Traditional Medicine, Shahid Beheshti University of Medical Sciences, since November 2012

**Grant History (on going):****The main performer:**

1. The efficacy of diet based on persian medicine on pain and quality of life ; Controlled randomized clinical trial- 2024
2. Evaluation of A Traditional Medicine Based Manipulation on Radicular Low Back Pain- 2024
- 3.
- 4.
5. National Grant from National Agency for Strategic Research in Medical Education (NASR) with number 4010302 (Title: Designing, implementation and evaluation of educational stage (before comprehensive exam) Portfolio for Ph.D. students in Persian medicine)- 2023

**Completed Grants:****The main performer:**

1. Evaluation of the effectiveness of herbal product on sexual dysfunction and testosterone levels of men undergoing methadone maintenance treatment (MMT), 2023-2025
2. Effect of Cuscuta epithymum on mild to moderate depression treatment in patients referred to Rafsanjan psychiatry clinic in 2020, 2020-2025
3. Investigating the effect of hot footbath on controlling the symptoms of hospitalized patients with COVID-19 and accelerating the recovery process, 2020-2023
4. Design and psychometrics evaluation of diagnostic Instrument of wet and dry dystemperament of uterus in Iranian Traditional Medicine, 2019-2020
5. The effect of `Nokhodab` diet on clinical symptoms in patients with Osteoarthritis of the knee, 2019-2022
6. Comparison of the effect of `Heala` herbal ointment with silver sulfadiazine ointment on second degree burn wounds, 2019-2022
7. Evaluating the efficacy of Fateh manipulation on chronic radiculopathy- 2019-2020
8. Study of the effect of Iranian traditional manual therapy (Fateh) on patients with mild and moderate carpal tunnel syndrome, 2018-2022
9. Development and clinimetrics of diagnostic tool of warm and cold dystemperament (sue- mizaj) of liver in Iranian Traditional Medicine, 2018-2020
10. Effect of Menthe pulegium water on airway inflammation and histopathological changes in Balb/c mouse model of ovalbumin-induced allergic asthma, 2018-2020

11. Evaluation the effect of treatment with Echium amoenum aqueous extract on Isoproterenol-induced heart failure in male rats, 2018-2020
12. Concept development of warm & cold dystemperament (suemizaj) of liver in Iranian Traditional Medicine, 2018-2020
13. Assesment the effect of the combination therapy of permethrin 1% and squilly vinegar on success rate of treatment of pediculosis capitis, 2017-2020
14. The effect of brewed Mentha Longifolia on early menopause, 2017-2024
15. comparing the effect of topical ginger oil with oral ginger on the of menstrual flow, 2016-2020
16. Evaluation of Efficacy of `Squill Oxymel ` in Treatment of Knee Osteoarthritis: A Randomised Double-Blind Placebo-Controlled Clinical Trial, 2016-2020
17. Preparation and quality control assessment of dodder prepared according to Iranian Traditional Medicine, 2016-2020
18. comparing the effect of topical ginger oil with oral ginger on primary dysmenorrhea, 2015-2020

#### **Grant History (on going):**

#### **Co-worker in research project:**

1. Designing, implementing and evaluating the research course portfolio (after the comprehensive exam) of Persian medicine Ph.D. students, 2023
2. The treatment protocol and management for leiomyoma from the perspective of Persian medicine and common medicine: A narrative review, 2023
3. The treatment protocol for secondary oligo amenorrhea in women of reproductive age from the perspective of Persian medicine and common medicine: A narrative review, 2023
4. Determining the frequency of natural medicinal products (single/multi-component) prescribed by physicians in Iran, 2022
5. Statistical Models for the hazard function of COVID-19 among adults and elderly Living in Tehran city with respect to Sex, 2021

#### **Completed Grants:**

#### **Co-worker in research project:**

1. Application of survival joint models in Sequential Multiple Assignment Random Trial data, 2020-2022
2. Preparation, Quality control and antidepressant evaluation of dodder extract in Balb C mice- 2020

3. Effect of Colloquium on some clinical signs and symptom of knee osteoarthritis: a randomized and double blind clinical trial- 2020
4. Effect of Colloquium on some clinical signs and symptom of knee osteoarthritis: a randomized and double blind clinical trial-2020
5. The effect of Nokhodabdiet on clinical symptoms in patients with Osteoarthritis of the knee, 2020-2021
6. Effect of tonic onsoli syrup and samgh capsule on creat of the menstrual cycle in women with polycystic ovary syndrome in a pilot study, 2017-2020
7. Evaluation the efficacy of calves wet cupping on vaginal bleeding in amenorrhea & oligomenorrhea, 2017-2020
8. Evaluation of patient satisfaction referred to home health traditional medicine in shahidbeheshti university of medical sciences, 2016-2020
- 9.

**Lectures, Courses, Web-based Education:** *(If you have presented or participated in any lecture, educational courses or web-based education, during the last 5 years mention their subject or title)*

2023: Modular course (fellowship) of basic and advanced skills in e-learning in medical sciences - Virtual School of Shiraz University of Medical Sciences

## **PROFESSIONAL SERVICE**

Peer review of articles in the Traditional and Integrative Medicine journal

Member of the Editorial Board of the Journal of Complementary Medicine, Arak University of Medical Sciences

## **Professional Organizations:**

Head of Shariat Panahi Health Center, Faculty of Traditional Medicine, Shahid Beheshti University of Medical Sciences

2019 - 2022

President of the Scientific Association of Iranian Traditional Medicine

2020-Present

Head of the Department of Traditional Medicine, Shahid Beheshti University

2021-Present

Head of the Faculty of Traditional Medicine of Shahid Beheshti since 2025

Head of the Medical Research and Materials Center since 2025

**Committees Memberships:** (*Membership in university committees such as ethics committee in research and other professional committees*)

2024: Chairman of the First National Congress of Persian Medicine

2023: Member of the Scientific Committee of the First International Symposium on Epitherapy of Iran and Turkey

2022: Member of the Policy Council of the Third Persian Medicine Festival

2022: Member of the Secretariat of Persian and Complementary Medicine of the Medical Council of Iran since

2021- Present: Member of the Federation of Chinese Medicine Society

2021-2023: Member of the Specialized Working Group of the Traditional and Complementary Medicine Headquarters of the Vice President for Science and Technology

2021: Member of the Policy Council of the Second Persian Medicine Festival

2021 – Present: Member of the Virtual Department of Persian and Complementary Medicine, Virtual University of Medical Sciences

2021: Member of the Specialized Working Group of Persian Medicine in the Formulation of the Seventh Development Plan in the Field of Health of the Ministry of Health and Medical Education

2021: Secretary of the Internal Self-Assessment Committee of the Department of Persian Medicine, School of Traditional Medicine, Shahid Beheshti University of Medical Sciences, Tehran, Iran

2021: Member of the Ranking Committee of the Faculty of Traditional Medicine, Shahid Beheshti University of Medical Sciences, Tehran, Iran

2020-2023: Head of the Department of Traditional Medicine, School of Traditional Medicine, Shahid Beheshti University of Medical Sciences

2020-2023: Head of Education Development Office (EDO), Department of Traditional Medicine, School of Traditional Medicine, Shahid Beheshti University of Medical Sciences, Tehran, Iran

2018 – Present: Member of the Education Committee of the Office of Persian Medicine of the Ministry of Health and Medical Education

2018- Present: Member of the Working Group for Developing a Clinical Guideline on "Simple Methods of Diagnosis and Treatment of Diseases in Persian Medicine", Office of Persian Medicine, Ministry of Health and Medical Education

2015-2016: Secretary of the Working Group of the Case Report of Persian Medicine in the Office of Persian Medicine of the Ministry of Health and Medical Education

2014-2015: Member of the Gynecology Research Working Group, Office of Persian Medicine, Ministry of Health and Medical Education

2014-2015: Secretary of the Pediatric Research Working Group, Office of Persian Medicine, Ministry of Health and Medical Education

2014-2019: Vice Chancellor for Traditional Medicine, Shahid Beheshti University of Medical Sciences, Tehran, Iran

2013-2018: Deputy of Cultural Students, Faculty of Traditional Medicine, Shahid Beheshti University of Medical Sciences, Tehran, Iran

2013-2014: Member of the Health Committee of the Office of Persian Medicine of the Ministry of Health and Medical Education

2013 – Present: Faculty Member of Shahid Beheshti University of Medical Sciences

## **Bibliography:**

### **Peer-Reviewed Original Research:**

1. A rapid overview on the causes of hypertension and relationship between Imtila and hypertension in Iranian Traditional Medicine, R Ghods, M Gharuni, G Amin, E Nazem, **R Mokaberinejad**, AN Nasrabadi, *Medical History Journal*, 2011.

## Chapters, Books:

1. Complementary medicine in improving the health of the elderly, authored by Shahid Beheshti University of Medical Sciences and Health Services, 2023.
2. Step-by-step treatment of asthma (shortness of breath) with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, Scientific Council of Books, Taranjan Publications, 2023
3. Step-by-step treatment of insomnia with Iranian medicine, clinical guide series for diagnosis and treatment of diseases in Iranian medicine, scientific book council, Taranjan publishing house, 2023
4. Step-by-step treatment of vitiligo with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, Scientific Book Council, Taranjan Publishing House, 2023
5. Step-by-step treatment of vaginitis with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, Scientific Book Council, Taranjan Publishing House, 2023
6. Step-by-step treatment of Servist with Iranian medicine, clinical guide series for diagnosis and treatment of diseases in Iranian medicine, Scientific Book Council, Taranjan Publications, 2023
7. Step-by-step treatment of irritable bowel syndrome, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, Scientific Book Council, Taranjan Publications, ۲۰۲۲
8. Step-by-step treatment of benign prostatic hyperplasia with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, Scientific Council of Books, Taranjan Publishing House, 2022
9. Step-by-step treatment of men's sexual dysfunction with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, Taranjan Publications, 2022
10. Ghamez Sosani in Iranian Medicine, authored by Iran Traditional Medicine Publications, 2021
11. Step-by-step treatment of headache with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, Scientific Council of Books, Taranjan Publications, 2021
12. Step-by-step treatment of male infertility with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, Scientific Council of Books, Taranjan Publications, 2021
13. Step-by-step treatment of uterine leiomyomas with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, member of the Scientific Council of Books, Taranjan Publications, 2021.

14. Step-by-step treatment of high blood pressure with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, member of the scientific book council, Taranjan Publishing House, 2021.
15. Step-by-step treatment of pre-pregnancy measures with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, member of the scientific council of books, Taranjan Publishing House, 2021.
16. Step-by-step treatment of endometriosis with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, authored by Taranjan Publications, year ۲۰۲۱.
17. Step-by-step treatment of women's sexual desire reduction with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, authored by Taranjan Publications, year 2021
18. Step-by-step treatment of endometriosis with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, authored by Taranjan Publications, year ۲۰۲۱.
19. Step-by-step treatment of blood lipid disorders with Iranian medicine, a collection of clinical guidelines for the diagnosis and treatment of diseases in Iranian medicine, authored by Taranjan Publications, year ۲۰۲۱
20. -Preventive recommendations and auxiliary treatments of Iranian medicine in Kovid-19, authored by Iranian Teb Publications, year ۲۰۲۱.
21. Step-by-step treatment of uterine bleeding with Iranian medicine, a collection of clinical guidelines for simple methods of diagnosing and treating diseases in Iranian medicine, authored by Iranian Tab Publications, 2018.
